

Conflict management hierarchy

If two volunteers have a conflict, go to the organiser of the event you are volunteering at.

If an organiser has a conflict with an organiser or volunteer, contact the chief organiser, who may consider involving an HTP.

If you, as a chief organiser, have a conflict with a Trustee or organiser, you should contact an HTP.

If a member has a conflict with a Head Trustee of SDS, they should contact the chairmanship.

If a member has a conflict with the chairmanship, they should contact the board.

You can contact a trustee at any time via email at tillid@syddanskestuderende.dk
